On Saturday 24 January the U14A, U16A and 1<sup>st</sup> team participated in tournaments.

The first team have been practicing hard during the holidays and the U16 have had a practice sessions as well.

The U14A team did extremely well, playing together for the first time as a team.

The 1<sup>st</sup> team played really well and had great results within their pool. They played St Mary's in the semi final beating them 1-0 only to face Durban Girls' College once again in the final.

Full time ended in a 0-0 all draw and they continued to draw even after extra time and penalty flicks.

The trophy was once again as in 2014 shared by both worthy winners of the tournament.

Jess Lardant was awarded highest goals scorer together with a player from DGC.

Well done Jess.

Please could Jess come up to receive the tournament winner's trophy.

The U16 team played at Kloof and won their pool. They played Durban Girls' College in the semi final and just lost 2-1.

The U14 team ended up second in their pool and played Fatima in the semi final. In a very close game that could have gone either way, they lost 1-0.

Well done to all the teams for really playing their hearts out and keeping the Danville name high. A special well done to the first team for winning the tournament.
