Basketball:

On Friday the 28th of August, Danville hosted our weekly league in the sports centre.

The results were as follows:

Our Junior B played their hearts out, but unfortunately lost against New Forest Junior A 5 -18.

Our 2nd team played Durban Girls' High 1st team and lost 7 - 20

Our 2nd team also played New Forest 1st team and won 18 – 12

Our 1st team played an excellent match against Grosvenor 1st team and we won 44 - 6.

Well done to all the girls for another successful afternoon of basketball!

On Saturday the 29th and Sunday the 30th, a combination of our 1st and 2nd team played in a top districts tournament against other teams from all over KZN.

All the girls played like absolute stars. We played 5 matches, and managed to win them all, which put us into the finals.

A lot was riding on the final, because if we won, we would go to the National tournament in Pretoria, so tension was high.

The girls gave it their all, but unfortunately we lost by two baskets.

Congratulations on coming second, we are very proud of all you have achieved.
