Well done to the U14 tennis team who played St Mary's on Monday the 11 August. The team comprised of Jos Van Der Linden, Tayla Ferguson and Noa Joubert. They played excellent tennis and won two of their three matches.

On Monday the U/16A team consisting of Darshna Naidu, Megan Sperring and Jessica Smith played Crawford North coast at home.

Playing conditions were tough with a strong prevailing wind.

Well done Daniella and good luck for the next round. Keep up the good work.

Basketball:

On Friday the 8th of August, the 1st and 2nd basketball teams eagerly set off on our annual tour to Pietermaritzburg.

The competition was incredibly stiff as the schools in Pietermaritzburg have been playing basketball since Primary school, so they have many more years' experience. There were schools from all over the country as well as Zimbabwe.

Our 1st team ended 13th in the A section and our 2nd team ended 9th in the B section.

We only managed to win 3 games, but the girls played their hearts out and played with such passion and commitment for every game, which made us extremely proud.

The girl's manners were exemplary and were excellent Danville ambassadors.

The teams thoroughly enjoyed themselves, and learnt a lot over our time on tour, and look forward to using our new skills to better our games for the future.

Well played girls!

Westville tournament Saturday 9 August.

Danville Park Girls' High School was excited to participate in a sports tournament hosted by Westville Girls' High School to celebrate their 50th anniversary. Danville arrived with excited girls that couldn't wait to participate in their sporting codes on the day.

Our tennis girls had a great morning beating Durban Girls' High 25 – 7 and Westville 25 – 9 and therefore won the tennis for the day.

The hockey team was a brand new team without our matrices and they seemed to gel as a team very quickly. They had a great day beating the hosts 3 – 1 and Durban Girls' High School 3 – 0 to win the hockey category.

Our volleyball team had to play their very best to beat a strong Westville Girls' High School, but still managed to win both sets. They also beat Grosvenor Girls' High in both their sets to be the overall volleyball winners for the day.

The Netball team is also a new team and they proved their worth on the day with the following results. They beat Durban Girls' Secondary 21 – 2, Durban Girls' High 17 – 4, Grosvenor Girls' High 17 – 1 and Westville Girls' High 20 – 6. Making them the winners of the netball category

Well done to all the Danville teams for really playing well together as teams and receiving victory on the day for their hard work. We also really enjoyed the day and would like to congratulate Westville on running a very successful tournament, and on their 50th anniversary.

Artistic Gymnastics:

Well done to Hrithik Ramesh who participated in the Artistic Provincial Zone qualifier as part of the KZN Level 2 Championships, on the 2 of August at the PMB gymnastics club.

Hrithik came 1st in the U13 age group and based on her points accumulation, earned a silver medal. Congratulations and please come up for your medal and certificate.
