

DANVILLE PARK GIRLS' HIGH SCHOOL

Sports Results
Week ending 3 October 2014

Waterpolo:

On Friday the 26 September the First Team left for the annual St Anne's' Tournament. The team is a young team with 8 new players in the team.

Twelve schools from around the country participated in the tournament, with the number 2 ranked team in the country Sterling High winning the tournament. The Danville girls did exceptionally well and showed great improvement from the start of the tournament until the end. The team kept their spirits high and are super motivated to build on their team for next year. Well done girls - Keep up your hard work.

Match results:

On Friday the 26 September the U14 and U16 teams played matches against Thomas More College. The results were as follows:

U14 won 4 – 2

U16 drew 2 - 2

Athletics:

Last Friday three teams of 8 girls participated in the Comrades Schools Relay Challenge at Kings Park and had a very exciting evening. There was loads of team camaraderie in each age group and each relay team did really well to achieve the following results:

- The U15 team ended in 4th place
- The U17 team ended in 2nd place
- And the U19 team consisting of girls of all ages came 6th

We are very proud of these girls that placed Danville in second place overall, and wish them luck for the finals at Kings Park. We really hope that some Danville girls will join us to support and just come and experience a very entertaining event.

Basketball:

On Wednesday the 24th of September, our 1st team Basketball girls attended a tournament at UKZN organised by the Education Department.

We played Pinetown Girls' High and Inanda Seminary and won both our matches.

Overall we were the winners in the Umlazi district, which means Danville go to the Provincial tournament this weekend.

Well done to the girls for having such great team spirit and giving up your public holiday to represent Danville.
