It was wonderful to see so many girls show up this year for our Inter-House field events and long distance races.

Well done to each and every one of you for earning valuable points for your houses.

Each participant earns at least one point for participating.

Many of the girls learnt new field events and had some fun at the same time.

The House scores after the 800m and 1500m are as follows:

Campbell 32

Hollander 42

Palmer 8

Smith 46

The scores for the field events are:

After the Field events and some track events, some houses are well on their way to a possible chance of victory, and others have some catching up to do in the track events that we will be running on the 11th of September.
